For example, if you are continuing a government subsidised Certificate III in Media from 2017, you can start one more course in 2018 until you finish (or withdraw from) your Media course, then you can start a second course in 2018.

Effective 16th June 2014, students are only allowed a maximum of two (2) government subsidised commencements at the same qualification level across **their** lifetime. Commencements in a Foundations Skills

Course and VET certificates completed as part of a senior secondary qualification are not taken into account. For further information, go to www.education.vic.gov.au.
